End of Year

It was great to see many parents join us, via zoom, over this past week as we celebrated our Presentation Day assemblies. It was unfortunate that we could not have parents at each assembly due to COVID restrictions and guidelines, but I thank all the parents and families for their understanding and support. I would like to congratulate all the students on a wonderful year, whether they received an award or not. All our students should be commended on

their achievements throughout the year. Thank you to all the staff who were involved in the organisation of these assemblies, especially the office staff for ensuring all the awards were completed in time.

It was also a pleasure to announce the Year 6 School Leaders and our House Captains for 2022 at our Stage 3 Presentation Assembly. Congratulations to these wonderful students and I look forward to your formal induction into our school leadership team early next year!

PBL Reward day

The last day of term for students is this Thursday. We will be having our PBL Lori Reward Day and all children should have received their note. The students were able to choose an activity depending on their points which included mufti, BBQ, water fun and much more.

The children will enjoy these activities with their friends, and I would like to congratulate them on their well-earned rewards for following our PBL values of Respect, Responsibility and Personal Best.

PBL Diamond Reward Day

PBL Diamond Reward Day

Last Thursday we had 120 pizzas delivered to school to celebrate a special lunch along with some fun activities celebrating their achievement on reaching Diamond level. Some of these activities included a silent disco, movie, art and sport activities. Congratulations to all of the children who enjoyed this special day with our PBL staff. It was great to celebrate with the Diamond Award recipients for their excellent attendance and behaviour throughout the year. Well done to everyone involved and a special thank you to Mrs Priest for organising this fun filled day.

Year 6 Farewell

Last Tuesday night we were able to host the Year 6 Farewell after a lot of uncertainty and guidelines that had to be followed. The students had a great night along with many of the school staff at the Gosford RSL and I would like to thank the many parents who assisted with the decorations, photo booth and the wonderful cake. Your help and support were very much appreciated by both the staff and the students.

Year 6 Graduation Ceremony

We look forward to seeing off our lovely Year 6 cohort on Wednesday where they will be meeting as a group for the final time. A revised note has gone home today regarding the organisation of this event. The graduation ceremony will be held on Wednesday at 2:15pm, where one fully vaccinated parent from each home may attend. On Thursday the Year 6 students will watch a slide show and then farewell the school in a COVID safe manner and make their way out the gates for the final time.

Semester 2 Reports

Semester 2 reports will be sent home tomorrow. I enjoyed reading these reports and seeing the great results and achievements that the students have made this year. This year has had many challenges for the students, and I was impressed with the results and resilience that our students have shown throughout the year. Thank you once again to all the parents who supported the learning from home packs and kept up with their child's learning under very difficult and at times challenging circumstances.

Only the work covered this semester, (Terms 3 and 4) was included in the report. When reading the report, it is important to remember that 'the focus is on reporting you child's progress in English

and Mathematics with some general comments in other areas. This modified report was developed according to departmental guidelines in response to the impact on learning due to COVID-1.

If you wish to discuss your child's progress or any other issue, please contact your child's teacher or myself to discuss this further.

Goodbye and thank you

PBL Diamond Reward Day

For those families leaving us this year as their children move onto high school or leaving the area, I wish you all the very best for the future. Thank you for being part of our school and all that you have done to support us here over the past years. This is the last newsletter of the year, and I would like to wish you all a very Merry Christmas and a great start to 2022.

I look forward to COVID restrictions easing over the New Year and welcoming our families back on site in 2022.

I would like to conclude by thanking the staff of Kariong Public School. 2021 has been an incredibly difficult year which saw lots of challenges. The support and flexibility the staff showed along the way was incredible as they maintained focus on students' needs. Thank you to you all for your hard work and dedication to our lovely school. Merry Christmas and enjoy the holidays!

DIAMOND REWARD DAY

By **VICKI PRIEST**
Kariong Public School
ASSISTANT PRINCIPAL

Everyone dressed in mufti and carried their pillows and soft toys to school ready for the Diamond Reward Day. The organisation was feverish and groups of children spread out across the school. There was a Silent Disco in the Hall and COLA. Videos were broadcast on the big screen and students and staff were dancing crazily while wearing headphone sets! It looked ridiculous but it was lots of fun.

Mrs Hoyle's classroom was transformed into an art studio and children were very busy creating the most magnificent, coloured images. The Kindergarten and Year 1 students made golden Christmas trees and the older students created multicoloured and textured trees. The rain lingered so Mr Nash took his groups to the STEM room to create Lego masters.

Lunch was a treat with hot steaming pizzas served by Mrs Skinner and teachers. The queues were long but moved fast. There were even a couple of leftover pizzas for the teachers.

By now everyone looked a little exhausted, especially the teachers! It was time for a quiet movie to finish off the Reward Day. The pillows and soft toys suddenly appeared and students settled into their movie with their surprise packet of popcorn. You could hear laughter and cheers across the school. The students had worked hard all year to earn enough points to participate in this once-a-year opportunity.

Congratulations to everyone who achieved Diamond this year. Thank you to all the staff for supporting and overseeing this important Rewards Day.

Congratulations!

Online Enrolment

We are excited to announce the roll out of the [new Online Enrolment System](#). The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens
- New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 02 4340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: Kariong-p.school@det.nsw.edu.au

Item categories

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.

- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Helpful Hints

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- [the student's name](#)
- [date of birth](#)

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

A REMINDER ABOUT MONEY COLLECTING PROCEDURES

All cash money sent to the school is to be brought to the Administration Office and placed into the **letterbox slot** that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open.

Please **do not leave money on the counter**. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school.

EFTPOS payments may be processed at the Administration Office between the hours of 8.30am – 3.00pm.

We no longer are permitted to take EFTPOS **over the phone**. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.
