Principal's Report

This week sees us at the half way point of the term and the countdown to Christmas has begun! Students will finish school this year on Wednesday December 16 and our staff will finish on Thursday December 17. The school will be nonoperational from December 18 with the staff returning in 2021 for 2 Staff Development Days on January 27 and 28. All students from Years 1-6 will return to school on January 29. Our Kindergarten students commence after their Best Start assessments, on Wednesday February 3.

We are starting to plan for 2021 shortly and we encourage any parents with special requests to please put these in writing. The placing of children into their new classes each year is a complex process. Classes at Kariong Public School are not graded academically and each year we strive to ensure that we have well balanced classes. The following factors are considered: *gender, academic ability, language needs, medical needs, cultural background and behavioural needs.*

If there are exceptional circumstances that need to be considered when placing a student, parents will need to put the circumstances in writing and forward these to myself by Monday 23 November 2020. It is important that your concerns are **submitted every year** as circumstances can change from year to year. Requests from previous years will not be looked at.

Year 6 Farewell

Unfortunately, we received the sad news that the West Gosford RSL was not able to host the farewell for us this year due to COVID restrictions and the amount of space required to meet club guidelines. We are now holding the farewell here at school on December 1 and are working hard to ensure that our Year 6 students have a great night. There will be certain restrictions in place to meet COVID guidelines and we will be sending home invitations and these guidelines to all Year 6 families shortly. Thank you for your support and understanding as we continue to modify rules and guidelines during this year!

Year 6 Mini Fete

The Year 6 Mini Fete is fast approaching. It will be held on Friday 27 November. The purpose of the fete is to raise money for the Year 6 Farewell, purchase a gift for the school and for real life experience in budgeting, marketing and retail experiences. The students are very much looking forward to sharing a range of games, activities and products with the rest of the school. Information about this very exciting event will come home next week with all the details.

Kindergarten Early Birds 2021

On Tuesday and Wednesday this week we met our 2021 Kindergarten students at the 'Early Birds' program. This program is designed to support the successful transition of young children into the formal school environment by allowing them time to visit the school and engage in authentic classroom activities with Kindergarten teachers.

We have a total of 77 Kindergarten students commencing their school journey here at Kariong next year and it was lovely to meet them all at Early Birds. If you know someone who is ready to start school next year who lives in our area, please let them know that it is time to enrol.

Thank you to all of the staff who helped out on the day to ensure our families had a great experience, especially our wonderful office staff for their organisation ensuring this program runs smoothly. We look forward to inviting all our students back over the next 2 weeks.

NAIDOC week and Aboriginal Science Show K-6

This week, we acknowledged NAIDOC Week in a number of ways. Our senior Aboriginal students started the week with an informative morning assembly, explaining the meaning and origins of NAIDOC. Each day our classes completed activities and were involved in different activities related to the theme this year, 'Always Was, Always Will Be'.

On Tuesday we had the visiting science show coming to our school to perform for us. The show entitled, "Flight, Fire and Sound – Science with an Aboriginal Perspective", essentially looked at the scientific principles behind some of the great inventions and environmental understandings of Aboriginal and Torres Strait Islander Peoples. It was lovely to see so many students dress in the Aboriginal and Torres Strait Islander colours and join in on the day's events.

Thank you to Miss Farrugia and Mrs Harding for organising this day; the feedback from the staff and students was very positive.

Year 5 2021, Opportunity Class Test

On Wednesday November 18, students who applied to sit the Opportunity Class Placement Test will do so here at school. Please ensure that all students are at school by 9am ready to start the administration and practice section.

Parents must send a printed copy of their 'Test Authority' letter showing their application number on the day with their child.

All families who applied should have received all necessary information in the mail last week. If you have questions in regard to this process, please contact the front office or Mrs Hoyle for further information.

Enrolling or Leaving?

NSW Public Schools are provided with teachers and staff on an age-based differential formula. Once the principal enters anticipated numbers of students, staffing will allocate a set number of teachers and support staff.

Thank you to the parents who have already informed the school that their child is leaving us or commencing at our school next year. It is extremely important that numbers are as accurate as possible so correct classes can be formed and teachers appointed to start at the beginning of the school year.

Please ensure that you let the office staff know as soon as possible if you are **NOT** returning to Kariong Public School in 2021 or if you are going to be away at the beginning of the 2021 school year. (Current Year 6 students do not need to let us know). Don't forget to let any families yet to enrol for next year to please contact the front office to start the enrolment process.

Have a great weekend!

Toni Skinner

SCULPTURES BY THE STUDENTS – KARIONG PUBLIC SCHOOL

Our Art Show this year features sculptures designed and made by each class.

Mrs White and her class KW have already completed their sculpture of a wind chime chandelier and it is hanging proudly outside their classroom.

Our exhibition will be officially opened on Monday 16th by Mrs Skinner and students will then be able to wander around our school grounds with their class to view all the amazing art work.

Next week's newsletter will have some photographs of the exhibition with many to be seen on our website soon.

FROM THE OFFICE

Online Enrolment

We are excited to announce the roll out of the new Online Enrolment System. The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's [going to a public school site](#).

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public school on 024340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the **Payment On-Line facility (POP)**, through the school's website: Kariong-p.school@det.nsw.edu.au.

Item categories

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- the student's name
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed.

Receipts can be emailed and/or printed.

Helpful Hints

- If a POP payment is made before **6pm**, your payment will be processed on the next day's school statement.
- If it is made **after 6pm**, the school **will be notified** two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Reminder about money collecting procedures:

All cash money sent to the school is to be brought to the Administration Office **and placed into the letterbox slot that is on the front wall near the counter**. This will allow payments to be placed securely, even when the office is not open. Please do not leave money on the counter. We ask that the envelope be marked with your child's name, class, and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school. EFTPOS payments may be processed at the Administration Office or over the phone for those families who choose to use this facility.

For any enquiries regarding the online payment process, please contact Kariong School Administration Office.

If you have changed your **phone numbers, address or emergency contact numbers,**

please phone the school office (4340 1885)
or send a note to the office with updates.

You can also email changes to: kariong-p.school@det.nsw.edu.au.

*Are you receiving our newsletter by email?
If not, please contact the office.*

***PLEASE NOTE: Payments to the Uniform Shop need to be made to:
gtschool.com.au as it is privately owned and NOT through school POP.***

Thank you.

If your child has a medical condition and you haven't completed forms with the office, please also contact the office.

***IF YOUR CHILD HAS ASTHMA AND CARRIES THEIR OWN PUFFER,
PLEASE ENSURE THE OFFICE HAS A SPARE PUFFER for YOUR CHILD.***
