Last day for students

Deputy Principal's Report

With only 8 days left of the school year for students, it has been a busy week for everyone. The week started on an exciting note for many with a trip to the cinema for our Diamond Awardees. Tuesday was a big one for Year 6 with their orientation to high school on Tuesday and the Farewell culminating with a celebration of primary school, a major milestone of growing up. Some major maintenance and building projects this week have seen changes to the school with the toilet block renovation and our building for before and after school care starting to take shape.

Diamond Movie Reward Day

Our Movie Reward Day was held on Monday, November 30 for our Diamond PBL Award recipients and I would like to congratulate them for achieving this level. We hope they all enjoyed the movies and I congratulate them for also following our school values of Respect, Responsibility and Personal Best at the movies.

Year 6 Farewell

On Tuesday December 1, we had our Year 6 Farewell here at school. The students looked lovely all dressed up and enjoyed being with their friends dancing, eating and watching some of the year on film. The hall looked a little different with gold and black balloons and with a DJ pumping out the tunes; there was movement on the dance floor! A highlight was a small group of students who took to the stage and led the rest in some fancy dance moves. Even the weather wanted to crash the event with an astounding lightning show but we all just partied on.

Rejuvenated Toilet Block

A whole new look has been created in the boys' and girls' toilets near the COLA area. When you enter now, it's like travelling to another place and time, with wild animals waiting to pounce. The students provided input to the renovation and I know they are proud to see the results.

School magazine

Issue 1 of the 'Kariong Kids' has been a resounding success. Both the high quality of the articles and the visual appeal of the magazine is a real credit to the media team. These stars are on page eighteen of the magazine. Congratulations on your tremendous effort media team and we look forward to the next issue in March next year. In the meantime, I have the Mega Christmas Find-A-Word and the crossword puzzle to keep me occupied in the holidays. I am also looking forward to finding out more trivia about some of the teachers. I can't believe how popular Manly Sea Eagles are!

House Captains 2021

Today a number of students presented their speeches during house meetings. The students all did an amazing job presenting their speeches and should feel very proud of themselves.

All students and staff now vote and the successful house captains and house vice captains will be announced at our morning assembly on Friday December 11.

Presentation Days

Our annual presentation days will be held next week. Due to COVID 19 restrictions, this year we will be holding grade presentation assemblies and each grade of students will be acknowledged at their presentation day. Year 3 and Year 4 will be held on Tuesday, December 8. Year 5 and Year 6 will be held on Wednesday, December 9 and Kindergarten, Year 1 and Year 2 will hold their presentation day on Thursday, December 10. Due to COVID 19 restrictions only the parents of students receiving a major award have received an invitation to attend their child's presentation event; unfortunately, no other parents will be permitted to attend. We will be taking photographs of students receiving their award and these will be published on the school website. We look forward to acknowledging the wonderful students in our school for their many different achievements throughout the year. For those who have received an invitation, please ensure that all RSVPs are returned to school no later than Monday December 7, so our COVID Safety Plan can be finalised.

Enrolling or Leaving?

NSW Public Schools are provided with teachers and staff on an age-based differential formula. Once the Principal enters anticipated numbers of students, staffing will allocate a set number of teachers, learning support officers, school administrative staff, counsellor etc.

Thank you to parents who have already informed the school that their child is leaving us or commencing at our school next year. It is extremely important that numbers are as accurate as possible so correct classes can be formed and teachers appointed to start at the beginning of the school year. Please ensure that you let the office staff know as soon as possible if you are **NOT** returning to Kariong Public School in 2021 or if you are going to be away at the beginning of the 2021 school year. (Current Year 6 students do not need to let us know).

If you know of anyone who is enrolling a new child at our school next year, would you please ask them to contact the school office to collect enrolment forms. Enrolment can now be done online via the Department's 'going to a public school' site.

With everything winding up for an unusual year, it is pleasing that learning for students has continued and a sense of achievement can be felt by all. Please look out for your child's report which will be coming home next Thursday so you can share your child's successes.

Enjoy some family time this weekend.

Kariong Kids Magazine

Extra! Extra! Read all about it!

Kariong Kids Magazine has hit the shelves this week!

An idea that started in isolation has turned into a reality, thanks to some wonderful Stage 3 students who were keen to bring something new and exciting to KPS this year.

The magazine is made **by kids, for kids**.

In the magazine you will find:

- Feature pieces on the Sensory Garden and Dodgeball
- Writing from Stage 3 students
- What's happening? in STEM?
- Jokes/Riddles/Crosswords
- Interviews with KPS staff
- A whole lotta Xmas stuff and more!

A digital copy of the magazine will be uploaded onto the school website. We hope you enjoy the 1st edition of many!

Mr Gilks and the Stage 3 Media Team

Stage 2 Class Party

As part of our end of year celebrations, on Tuesday 15 December, Year 3 and 4 students will be having a class party.

Students will be walking down to Peppermint Park for a picnic and some games after recess and will return before lunchtime.

What to bring:

- An individually packed picnic lunch with some snack, party food items for your own child (any containers are to be clearly labelled)
- Drink bottle
- A hat
- Picnic rug (optional)

Students may wear mufti on their class party day. If you have any questions, please contact your child's class teacher.

Kinder, Year 1 and Year 2 Class Party

Children in these grades will have their party day on Tuesday, 15 December. Notes have been sent home this week suggesting what your child can bring. Students have permission to wear Christmas/mufti clothing on this day.

A Final Reminder for Library Books

Thank you to the people who have located and returned their library books. If you still need to return books to the library, please do this promptly. Mrs McGann is very happy to receive these pronto.

FROM THE OFFICE

Online Enrolment

We are excited to announce the roll out of the new Online Enrolment System. The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's [going to a public school site](#).

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public school on 024340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the **Payment On-Line facility (POP)**, through the school's website: Kariong-p.school@det.nsw.edu.au.

Item categories

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the [\\$ Make a payment](#) you must enter:

- the student's name
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Helpful Hints

- If a POP payment is made before **6pm**, your payment will be processed on the next day's school statement.
- If it is made **after 6pm**, the school **will be notified** two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Reminder about money collecting procedures:

All cash money sent to the school is to be brought to the Administration Office **and placed into the letterbox slot that is on the front wall near the counter**. This will allow payments to be placed securely, even when the office is not open. Please do not leave money on the counter. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school. EFTPOS payments may be processed at the Administration Office or over the phone for those families who choose to use this facility.

For any enquiries regarding the online payment process, please contact Kariong School Administration Office.

If you have changed your **phone numbers, address or emergency contact numbers,**

please phone the school office (4340 1885)
or send a note to the office with updates.

You can also email changes to: kariong-p.school@det.nsw.edu.au.

Are you receiving our newsletter by email?

If not, please contact the office.

PLEASE NOTE: Payments to the Uniform Shop need to be made to: gtschool.com.au as it is privately owned and NOT through school POP.

Thank you.

If your child has a medical condition and you haven't completed forms with the office, please also contact the office.

IF YOUR CHILD HAS ASTHMA AND CARRIES THEIR OWN PUFFER, PLEASE ENSURE THE OFFICE HAS A SPARE PUFFER for YOUR CHILD.
