FROM THE PRINCIPAL

TIME TO MEET WITH YOUR CHILD'S TEACHER

What a busy and fun week we have had here at Kariong. There is only 3 weeks left of school this term and we have lots to look forward to over this period of time. Some of these fun activities include the Easter Hat Parade for K-2 classes, PBL Rewards Day for K-6 and of course the Easter Raffle run by our P&C. I would like to thank the P&C fund raising committee for organising this event and to all of the parents for supporting us here at Kariong Public School.

Easter Raffle

The Easter Raffle tickets have been sent home and I know from past experiences that our Easter Raffle has always been something that we all look forward to and enjoy very much. The P&C have asked for any donations to please come to the front office by Wednesday March 24 as the raffle will start on Monday March 29 through to April 1, the last day of term.

Easter Hat Parade

In Week 10 we will be holding an Easter Hat Parade for all of our K-2 students. Notes will come home with further information in regard to times and dates. We are looking forward to being able to host and celebrate events such as this back in our schools again.

PBL Rewards Day

This rewards day will be held on Wednesday March 23. All students will have the opportunity to cash in their Lori tokens for a reward of their own choice. The PBL rewards have been chosen by our PBL Kids' Team and they all look fun and exciting to be a part of. A note will come home to all families about these rewards so you can discuss the options with your child/ren. Congratulations to all of the children for a great term and well done to all of the students who have earned themselves a huge amount of Lori rewards to spend or to save up for later in the year.

COVID Update

This week the Department of Education lifted many restrictions in our school and it is wonderful to be able to invite our parents and carers back on site. We do remind everyone that we are still expected to follow COVID safe practices, including social distancing between adults of 1.5m. Some level of restrictions and guidelines will remain in place for schools for some time and we remind everyone that if visiting our school, you are still expected to sign in. Kindergarten and Year 1 students will be brought to the courtyard each afternoon and parents may pick them up from here at 2:55pm or at either of the gates if this is preferred. If you are a parent helper in the classroom, please visit the front office and fill out the necessary paperwork prior to entering the classroom. It is still important that we all remain vigilant in implementing COVID-safe practices in our schools and workplaces and we thank you for your ongoing support and patience.

Parent Teacher Interviews

We will be holding face to face parent teacher interviews from Week 1 Term 2, Tuesday 20th April until Week 2 Term 2, Friday 30th April. If you would like to meet with your child's teacher please ensure that you choose a time and date that suits you once we open our online bookings. The SENTRAL portal will be open for bookings from Thursday March 25. If you have not received a portal key please contact the front office. A link will be sent out on Facebook and in next week's newsletter on how to make a booking next week.

Year 6-7 High School Expression of Interest Forms for 2022

Every Year 6 student would have received an Expression of Interest form for parents to add family details and check the local high school is correct. This is just an expression of interest required from the Department of Education and an opportunity to apply for any out of area requests. You DO NOT need to know exactly where your child will be attending High School, it is just an expression of interest and an indication as to how many students may be attending each school.

If you have any questions please ask your child's teacher or phone the front office. **Please ensure that these forms are returned by March 19.** Thank you to all of the families who have already completed these forms and returned them to school.

Rumbalara WOW (Wiping Out Waste)

On Wednesday, 10 March a team from Rumbalara Environmental Centre visited our school to undertake a waste audit as part of the WOW initiative. We collected all our waste from the previous day and with a dedicated team in the morning session sorted, grouped and weighed the contents. All the students in the school were amazed when we went through the data and did the Maths! In the afternoon some of our older members of the PBL Kids Team began an action plan to wipe out the waste. Lisa from Rumbalara said that we were the best team that she had worked with. I congratulate the students on giving their Personal Best. We look forward to implementing some new strategies to reduce waste at our school.

NAPLAN Year 3 and 5 students

All students in Year 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, conventions of language and numeracy in May this year. The assessment provides parents and carers with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process and it does not replace ongoing assessments made by teachers about student performances. Please see information attached in this newsletter in regard to this assessment and please talk to your child's teacher if you have any questions or concerns.

Scripture and Ethics

Yesterday, Scripture and Ethics classes began for the year. K- 2 classes are held between 10:15 – 10:55 and 3 – 6 classes will operate from 11:35 – 12:15 each Thursday for the remainder of the year.

At our school we have approved providers for Combined Churches and Catholic denominations to operate classes in Scripture. Children have been placed in a group according to last year's arrangements. Students not attending Scripture classes will be provided with supervised alternative, meaningful activities which may include reading, private study and homework.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Kindergarten students have been placed according to their enrolment information. In 2021, Special Education in Ethics (SEE) has been provided as an option for parents/carers of Kindergarten students who do not wish for their children to attend Scripture classes. Ms Tisa, a trained teacher of Primary Ethics, the Department of Education's authorised provider of SEE, has volunteered to take a Kindergarten class in Ethics at Kariong PS this year. To extend the Ethics program beyond the Kindergarten class, volunteers are needed with training and support provided by Primary Ethics. Visit www.primaryethics.com.au or contact Carey Francis on carey.francis@primaryethics.com.au for more information.

P&C Meeting

Our next P&C meeting is this coming Monday March 15 at 7pm. We will be holding our Annual General Meeting prior to the commencement of the general business meeting. All positions will be available for nominations and everyone is welcome. Please come along especially if you would like to be a part of the executive committee.

Swimming Carnival Presentation

Next Friday we will be acknowledging our swimming champions at a special assembly from 9:15am in the school hall. For those parents and friends attending please remember to sign in and follow COVID guidelines. Congratulations to all of our swimmers and I look forward to seeing lots of photos in next weeks newsletter.

Gymnastics Term 2

Next week, all students in Years 2-6 will bring home a note in regard to a gymnastics program being offered next term. The Sport in Schools team include a diverse range of specialised teachers and instructors, with the majority of their staff qualified PD/H/PE teachers and gymnastics certified coaches (including high performance coaches). If you would like your child to attend these sessions please complete the permission note and return this to the front office before the due date. This is not compulsory and students who choose not to attend these lessons will be provided with alternate sport activities.

As mentioned earlier there are many events occurring over the next 3 weeks and I would like to remind parents to keep an eye out for notes so no one misses out on these exciting events.

I hope you all have a wonderful weekend and I look forward to seeing everyone on Monday ready for another busy week.

By **TONI SKINNER**
Kariong Public School
Principal

Can you volunteer? We need your help with the School Banking program!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of school banking rewards. The School Banking is processed at the same time each week and will only take a small amount of your time. The Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they practise saving skills and also help our school with fundraising.

As part of volunteering you are eligible to receive a Certificate of Attainment that details the activities that you are involved in. For example: cash handling, program facilitation, account reconciliation and more.

Currently, School Banking day is Thursday. Changes to the day can be discussed based on the volunteer's availability

If you are interested in volunteering for this great program, please contact the school office.

Harmony Day Celebrations

A special reminder that next week is Harmony Week. We are celebrating Harmony Day on Wednesday 17th March at Kariong Public School. Everyone is encouraged to wear something **orange** or a **traditional outfit** from another country. Please note this is not a Mufti Day event and there is no gold coin donation required.

P & C Easter Raffle

The P&C will be holding an Easter Raffle to raise funds to assist the school. Tickets went home to each family for purchase and are \$1 each or \$10 per book of 10 tickets. Tickets and money should then be returned to the office no later than Friday, 26 March 2021. If you would like more tickets, there are some extra tickets in the Office.

Prizes will be made up from donations gratefully accepted at the School Office up until Wednesday 24 March 2021.

If you are able to assist with prize wrapping, which will take place from 9:00am on Wednesday 24 March 2021, please contact Kylie Stephenson on 0411 254 230. Any time you can spare will be very much appreciated.

The Easter raffle draws will take place each day and winners will be announced from Monday 29th March through to Thursday 1st April at morning assembly.

Kariong Public School P&C

Online Enrolment

We are excited to announce the roll out of the new Online Enrolment System. The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
 - Children who are Australian citizens,
 - New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 024340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: Kariong-p.school@det.nsw.edu.au.

Item categories

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- the student's name
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Helpful Hints

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.
- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.

REMINDER ABOUT MONEY COLLECTING PROCEDURES:

All cash money sent to the school is to be brought to the Administration Office and placed into the letterbox slot that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open. Please do not leave money on the counter. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed. The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This

procedure ensures better handling of all monies and reduces disruption to teachers and students. We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school. EFTPOS payments may be processed at the Administration Office between hours 8.30am – 3.00pm. We no longer are permitted to take EFTPOS over the phone. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.

Unlocking the Library with Mr. Brown

News – This week in Library, students were shown how to register books they have read/been read on the Premiers Reading Challenge. Now that they have been shown, they should be able to keep track of their books throughout the year. For our younger students, parents/carers might be able to help. Here's how:

1. Go to the PRC website <https://online.det.nsw.edu.au/prc/home.html>
2. Students logon with their DET login
3. Go to Student Reading Records and add books via the search box at the top or via the age appropriate booklists

Just a reminder, the challenge ends on Friday August 20, 2021. Students in K-2 must read 30 books and students in 3-6 need to read 20 books. Each group can register as many as 5 free choice books. Happy reading!

Book Reviews

'The Red Tree' by Shaun Tan

"I liked how on every page it expressed her feelings and there was always one little bit of happiness ... I didn't like how there was mostly sad stuff, not good stuff."

- Lily D (5/6D) ★★★★★

"I really liked the creativity of the book and how it's written. It might be difficult to understand it the first time you read it."

-Hunter Q-J (5G) ★★★★★

"I really liked how it had a deeper meaning to it and it wasn't just reading along and seeing what was above the surface. You had to actually look further into it and find the deeper meaning. I didn't like that it was kind of hard to interpret ... If you are hearing it for the second time, you'd understand it more. It's a really good book!"

-Juliet A (6G) ★★★★★

This Week's Library Riddle

This Week's Library Riddle – In Roald Dahl's novel 'Matilda', what is the name of Matilda's headmistress?

PBL Update

At Kariong Public School, we show respect, responsibility and strive to do our personal best. During PBL lessons this week, students have been learning about being respectful, responsible and doing their personal best during **Scripture and Ethics lessons** and when in the **Quiet Area**.

This week's PBL Focus has been:
Scripture/Ethics and The Quiet Area

Our new Multimedia and Art Space

By **Dr GAI McMURTRIE**
Kariong Public School
Teacher

This year we have established a Multimedia and Art space that has already been used to make two videos – one about our Acknowledgement to Country and another about Harmony Day. Both videos will soon be available on our school website.

The Multimedia and Art space has a large green

screen, special lights, a set of iPads, tripods for iPads and 4 computers with double screens so that students and teachers can comfortably and effectively use programs such as Adobe InDesign and Premier Pro.

We are very fortunate to have this new and exciting teaching/learning space. We hope to run some parent workshops in the room later in the year. If you would like some more information or would like to contribute to the work of the Kariong Public School Media Team, please contact Dr Gai McMurtrie on gai.mcmurtrie@det.nsw.edu.au

Here are some images of students working in the room with members of our media team. Mr Stephen Rutherford (Media Officer) and Dr Gai McMurtrie (Teacher).

HARMONY WEEK 2021

MONDAY 15 - SUNDAY 21 MARCH

www.omi.wa.gov.au

What is Harmony Day?

Harmony Week is a time to celebrate Australian multiculturalism and the successful integration of migrants into our community. Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain it. The message of Harmony Week is **everyone belongs**. It is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. Here at Kariong PS, we are looking forward to continuing our support of this wonderful initiative.

The canteen will be offering a variety of different foods from various countries which your child can order. On **Wednesday 17th March**, students are encouraged to wear their traditional cultural dress. Those who do not have a cultural dress can wear orange. Students will participate in lesson plans that will have a diversity focus. We invited students from Non-English speaking backgrounds to bring something significant that symbolises their culture/country. A PowerPoint presentation has been created and will be shared across the entire school. Such celebrations create opportunities for all of us to think, talk about and recognise how our differences make Australia a great place to live.

We would like to invite any family members who would like to visit the school as a guest speaker to contact Ms Glare via the school office. A visit to a class can then be arranged. Your visit would be a highly valued learning experience for the students.

Why orange?

Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect.

Facts and figures

Here are some fascinating statistics about Australia's diversity:

- Nearly half (49 per cent) of Australians were born overseas or have at least one parent who was
- We identify with over 300 ancestries
- Since 1945, more than 7.5 million people have migrated to Australia
- 85 per cent of Australians agree multiculturalism has been good for Australia
- Apart from English, the most common languages spoken in Australia are Mandarin, Arabic, Cantonese, Vietnamese, Italian, Greek, Tagalog/Filipino, Hindi, Spanish and Punjabi
- More than 70 Indigenous languages are spoken in Australia.

(These facts are taken from ABS 2016 Census Data. Check out the Australian Bureau of Statistics website).

We all look forward in celebrating Harmony Day.

Ms Glare

EAL/D Teacher

Social and Emotional Learning at KPS

People Bouncing Back

If you are resilient you will be able to cope reasonably well with difficult situations and things that go wrong and then 'bounce back'. Throughout life, children will need skills and attitudes to help them to bounce back. They will encounter everyday challenges such as making mistakes, falling out with a friend, moving house or school and losing in a sports competition.

Many will also face challenges such as adapting to family break ups, a step-family, the illness or death of a family member, or being bullied. People bouncing back is the Curriculum Personal Development Unit that teaches children the 10 Bounce Back! statements. Students at KPS will be using this acronym throughout the school year to remind them that we can all BOUNCE BACK from difficulties and challenges.

Be kind to yourself!

Mrs Hoyle
SEL Co-ordinator

For younger children, the simpler coping statements in BOUNCE are taught, but 'bouncing back' from a setback, a mistake and bad times is still referred to.

Bad feelings always go away again.

Other people can help you feel better if you talk to them.

Unhelpful thinking makes you feel more upset
Think again.

Nobody is perfect – not you and not others.

Concentrate on the things that are still good
when things go wrong.

Everybody has unhappy times sometimes, not
just you.

Bounce Back! stands for:

Bad times don't last. Things always get better.
Stay optimistic.

Other people can help if you talk to them. Get a
reality check.

Unhelpful thinking makes you feel more upset.
Think again.

Nobody is perfect – not you and not others.
Concentrate on the positives (no matter how
small) and use laughter.

Everybody experiences sadness, failure, hurt,
rejection and setbacks sometimes, not just you.
They are a normal part of life. Try not to person-
alise them.

Blame fairly. How much of what happened was
due to you, to others and to bad luck or circum-
stances?

Accept what can't be changed (but try to change
what you can change first).

Catastrophising exaggerates your worries. Don't
believe the worst possible picture.

Keeep things in perspective. It's only part of your
life.

NAPLAN Online – information for parents and carers

2021

Your child will do the NAPLAN tests online

Federal, state and territory education ministers agreed that all schools will gradually transition from the current paper-based NAPLAN to NAPLAN Online in order to provide a better and more precise assessment that is more engaging for students.

State and territory education authorities will determine when their schools move online. The current plan is for all schools to transition to NAPLAN Online by 2022.

One of the main benefits of NAPLAN Online is tailored (or adaptive) testing, in which the test presents questions of higher or lower complexity depending on a student's performance.

Tailored (or adaptive) testing is designed to assess a wider range of student abilities and to measure student achievement more precisely. Your child should not be concerned if they find questions more challenging than usual; they may be taking a more complex test pathway. A student's overall NAPLAN score is based on the number and complexity of questions they answer correctly.

Why do students do NAPLAN?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

The assessment provides parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

What does NAPLAN assess?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

Students are assessed on the same literacy and numeracy curriculum content, regardless of whether they complete the tests online or on paper. Results for both formats can be reported on the same NAPLAN assessment scale.

To find out more about NAPLAN Online, visit nap.edu.au

What can I do to support my child?

On its own, NAPLAN is not a test that can be studied for and students are not expected to do so.

You can support your child by reassuring them that NAPLAN is just one part of their school program, and by reminding them on the day to simply do their best.

ACARA does not recommend excessive preparation for NAPLAN or the use of services by coaching providers.

Ensuring students are familiar with using devices, typing on them and navigating through programs is a part of student learning and a requirement of the Australian Curriculum from the first year at school.

NAPLAN Online is not a test of keyboard skills. There are variations in how fast and well a student can type – just as there are variations in how fast and well a student can write by hand. Year 3 students will complete the writing test on paper.

Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

See the types of questions and related functionalities available in the NAPLAN Online assessment at nap.edu.au/online-assessment/public-demonstration-site

NEW Childcare Services at Kariong Public School

Outside of School Hours Care & Vacation Care

Coast Community Connections is pleased to announce in partnership with the Kariong Primary School community a brand-new childcare service for students, conveniently located on the grounds of Kariong Public School.

Before & After School Care Weekdays
between 6:30am - 9:00am, 3:00pm - 6:30pm

Vacation Care
7:00am - 6:30pm during school holidays

Play NETBALL in 2021 with Kariong Netball Club

Kariong Netball club has a few places available in our 10-year-old team to play in the 2021 Saturday Competition.

Meet new friends and enjoy being part of a team.

If you are interested in playing –

Email Sandra, Club Secretary: karncsecretary@outlook.com - name, age and previous playing history or simply if you would like any further information.

Tell your friends, spread the word.

Once these limited positions are filled all our Junior Kariong teams are full.
