KARIONG CELEBRATES CULTURAL DIVERSITY

On Wednesday 17th KPS staff and students celebrated multiculturalism in many different ways, supporting Australia's cultural diversity. Some of the students came dressed in national costume and looked absolutely amazing. With many others dressed in orange, a rather dreary looking day was certainly brightened up! We thank the students, staff and families for making our day so special. The school would especially like to thank the families who shared their culture with us by bringing

items such as national costumes and articles of cultural significance. Ms Glare and I appreciated the opportunity to speak with families so we could learn more about the cultures we have at our school.

Ms Glare produced an incredible slide show presentation from the photos and information shared with us. This was utilised in all classrooms as a learning resource as part of our Harmony Day celebrations. Also, some of our Stage 2 students interviewed each other to learn more about their different cultures. Part 1 of these interviews has been produced into a video. Please take the opportunity to view both our presentation and video on our school website. I know you will be as impressed as I with the talent, skills and abilities of our Kariong Community.

P & C Annual General Meeting and Fundraising

On Monday night, the P & C held both an Annual General Meeting and an ordinary general meeting. We congratulate the following members for taking on the role of Executive positions for 2021: President – Brett See, Vice President – Shannon Buwalda, Secretary – Tanya Finnerman, Treasurer – Darren Atkinson and Fundraising – Kylie Stephenson.

We thank the previous executive, President – Brett See, Vice Presidents – Shannon Buwalda and Tanya Finnerman, Secretary – Rowena See, Treasurer – Darren Atkinson and Fundraising – Kylie Stephenson who provided support to the school during a difficult year for everyone. Many in the school community appreciated the special effort made by the P & C and particularly Kylie Stephenson for her drive by Mothers' Day Stall initiative. The restrictions put in place due to COVID didn't stop Kylie making sure both mothers and children had a good day. Kylie has already started this year's fundraising with the P & C Easter Raffle underway. Thank you to the families who have already purchased tickets for this fundraising event. Donations of Easter Egg prizes for the raffle will be gratefully received at the office. The more donations, means more prizes and lots of eggs will be put together for bigger prizes. The last week of term, prizes will be drawn every day.

Swimming Presentation Award Ceremony

Today we celebrated the achievement of our

swimmers with a special award assembly in the hall. It was wonderful to acknowledge their achievements and share in their success.

PBL Awards Day

Our special PBL Rewards Day for Term 1 is on **Wednesday 31st March** in Week 10. Early next week a note will go home with the points score and awards available for our first big awards day of the year. Points earned can be cashed in or saved up for later in the year.

Easter Hat Parade

This week a note went home to K – 2 families regarding The Easter Hat Parade. Kindergarten and Year 1 are making their hats at school with their buddies and Year 2 will also be making their hats in class, ready for the big day. We are extremely happy to be able to share this event with families on Thursday 1st April. Please refer to the note for more detailed information.

Parent Teacher Interviews

Face to face parent teacher interviews will be held the first and second week of Term 2, from Tuesday 20th April to Friday 30th April. This opportunity for families and teachers to get together fosters collaborative, supportive and cohesive learning environments at Kariong where we strive to ensure every child is known, valued and cared for. A link has been placed on Facebook for booking a time with the teacher, with the portal open from Thursday 25th March. Details are also later in this newsletter. If you have not received a portal key please contact the office.

Looking forward to some exciting events.

Online Enrolment

We are excited to announce the roll out of the **new Online Enrolment System**. The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens,
- New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 024340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: Kariong-p.school@det.nsw.edu.au

Item categories

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.

- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Helpful Hints

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- the student's name
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

REMINDER ABOUT MONEY COLLECTING PROCEDURES

All cash money sent to the school is to be brought to the Administration Office and placed into the **letterbox slot** that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open.

Please **do not leave money on the counter**. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school.

EFTPOS payments may be processed at the Administration Office between hours 8.30am – 3.00pm.

We no longer are permitted to take EFTPOS **over the phone**. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.

BWPSSA Combined Rugby League Trial

On Wednesday 10th March, 5 Kariong students attended the BWPSSA Combined Rugby League trials at Kariong Oval. Our zone now competes with the Hornsby and Beecroft Zones and there was a lot of talent on display at the trial.

Congratulations to Deyton Smith who made the 11 Year team, and Noah Flakus who made the Open's side. Good luck at the Sydney North trials next week boys!

On Monday 15th March, I had the pleasure of participating in the PSSA Sydney North Swimming Championships at Sydney Olympic Park as an official. Three students from our school made it through to these championships. A big congratulations to Mikayla W, Julia S-G and Zade G who proudly represented Kariong Public School at this event. Whilst they did not make it through to the next level they were outstanding competitors. Well done!!!

Unlocking the Library with Mr. Brown

News – This year we have already begun purchasing some excellent books for our school library. We have more amazing picture books for our younger readers by authors such as Matt Cosgrove ('Thanks, Mum!' and 'Macca and Al, Super Pals'). We have awesome picture books for our senior classes, like 'The One and Only Ivan', 'The Incredible Freedom Machine' and 'A Boy and a Ball'. We have award winners with 'Flora & Ulysses' and 'The Thing About Jellyfish'. And we are broadening our graphic novel collection with many must-read titles, like 'Angry Birds' and 'Teen Titans'. Being Harmony Week, it's also a great time to read 'I'm Australian too', a book that celebrates Australia's cultural diversity. Or 'The Feather', a beautiful book about bringing people together. Come and check them out and stay tuned for many more great titles!

Google Draw Mosaic Project

By **Dr GAI McMURTRIE**
Kariong Public School
TEACHER

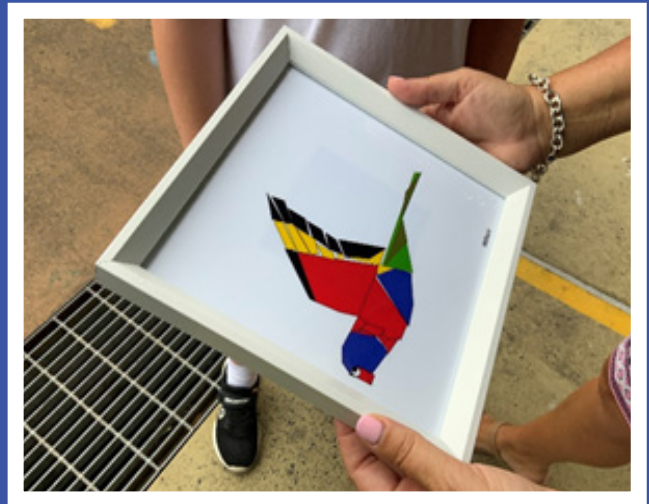

This term a small group of senior students have been attending a before school class with Mrs Mac in the Computer Lab to learn how to use Google Draw.

We have been using Google Draw to make a mosaic artwork of our school emblem, LORI the lorikeet.

All the students have learnt how to draw using a polyline and how to share their completed images.

In Term 2 they will produce artworks on a chosen topic and I can't wait to see what marvellous images they will create and share.

Here are some images of William, one of our Google Draw Leaders, presenting a copy of his Lori artwork to the Principal, Mrs Skinner. Congratulations William and to all our other students for your leadership in the school using Google Draw. We will publish some more of their artwork next term.

Seasons
for Growth®

Dear Parents and Caregivers,

Change and loss are issues all of us face at some stage of our lives. At Kariong Public School we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons For Growth. This program is facilitated in small groups and is based on research that highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem solving, decision making, effective communication and support networks.

Seasons For Growth runs for 8 weeks in school hours and each weekly session is 40-45 minutes. The program concludes with a 'celebration' session. Later in the year each group will have the opportunity to meet for a further session to build on their earlier learning. There is no cost involved.

Seasons For Growth will commence in Term 2 week 5 for Years 1-6. If you think your son or daughter would benefit from this program, we would encourage you to talk to him/her about this. Should he/she decide to participate, please fill in the form attached and return to the office by Tuesday 4th May. Please also include a brief reason for participation eg divorce, death etc. Students who have not participated in the program before will be given first preference.

If you require further information or have any questions please contact me at school on 4340 1885.

Kariong Public School is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved.

2021 Tell Them From Me Student Survey

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the Tell Them From Me student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used Tell Them From Me to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours in weeks 9 and 10. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey was sent home in week 6 with students. If you do not want your child or children to participate, please return the form to school by Monday 22nd March. Copies of the form and FAQs are available from: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me/information-for-parents-and-carers>

The consent form and FAQs are available in 23 languages.

If you have any further questions, please contact Mrs Priest or your child's teacher.

School Photo Information

All students will be bringing home a school photo card on Monday. This card has the individual Shoot Key for your child and all the information you need to order your child's school photos online. If you would prefer to pay cash or are unable to order online please come to the office to collect an envelope for your child.

If you would like to have a family photo of your children please come to the office to collect a sibling photo envelope.

All students should bring their photo card back to school on School Photo Day Wednesday 21st April.

If you have any questions about school photos please contact the front office.

NAPLAN Online – information for parents and carers

2021

Your child will do the NAPLAN tests online

Federal, state and territory education ministers agreed that all schools will gradually transition from the current paper-based NAPLAN to NAPLAN Online in order to provide a better and more precise assessment that is more engaging for students.

State and territory education authorities will determine when their schools move online. The current plan is for all schools to transition to NAPLAN Online by 2022.

One of the main benefits of NAPLAN Online is tailored (or adaptive) testing, in which the test presents questions of higher or lower complexity depending on a student's performance.

Tailored (or adaptive) testing is designed to assess a wider range of student abilities and to measure student achievement more precisely. Your child should not be concerned if they find questions more challenging than usual; they may be taking a more complex test pathway. A student's overall NAPLAN score is based on the number and complexity of questions they answer correctly.

Why do students do NAPLAN?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

The assessment provides parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

What does NAPLAN assess?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

Students are assessed on the same literacy and numeracy curriculum content, regardless of whether they complete the tests online or on paper. Results for both formats can be reported on the same NAPLAN assessment scale.

To find out more about NAPLAN Online, visit nap.edu.au

What can I do to support my child?

On its own, NAPLAN is not a test that can be studied for and students are not expected to do so.

You can support your child by reassuring them that NAPLAN is just one part of their school program, and by reminding them on the day to simply do their best.

ACARA does not recommend excessive preparation for NAPLAN or the use of services by coaching providers.

Ensuring students are familiar with using devices, typing on them and navigating through programs is a part of student learning and a requirement of the Australian Curriculum from the first year at school.

NAPLAN Online is not a test of keyboard skills. There are variations in how fast and well a student can type – just as there are variations in how fast and well a student can write by hand. Year 3 students will complete the writing test on paper.

Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

See the types of questions and related functionalities available in the NAPLAN Online assessment at nap.edu.au/online-assessment/public-demonstration-site
