Dear parents and carers

Thank you for your ongoing support during these challenging times. As you are aware, the Premier has announced a further 4 weeks of lockdown and that schools are to provide online learning to all students unless parents and carers are an essential worker.

We will continue to have a small number of staff on the premises each day to maintain a safe school environment and we encourage you to reach out to your child's teacher or ring the school for any concerns or questions you may have.

Please know that we are all here to support you and we thank you all for the amazing job you are doing in this very difficult situation.

Our class teachers will continue to host zoom meetings each week, email students and families and be there to support you as needed. Please remember that many teachers are making phone calls from home and make calls including from their mobiles to check in with students. If you see an unknown caller, it may be your child's teacher if it is during school hours. We also encourage you to check emails each day as teachers may be sending information.

We will continue to use Facebook and the school's website to provide information and learning packs each week. Hard copies will continue to be available each Monday from the front office.

Please do not hesitate to contact the school if you require any support services such as those listed below during this time. The front office can be contacted by phone on **43401885** or via email **[kariong-p.school@det.nsw.edu.au](mailto:kariong-p.school@det.nsw.edu.au)**.

- Learning support
- Student counselling support
- Librarian
- Executive staff

We will ensure you are updated at regular intervals. In the meantime you can [visit the learning from home website](#) to access further information and resources.

Our special Education Week video will be posted on our website this Friday!

Kind regards  
Toni Skinner
