## LORI REWARDS DAY

**T**hank you for another great term. Term 2 has certainly gone very fast and each week seemed to get busier and busier. It was great to see extra curricula activities such as excursions, choir, dance and sport all get back to normal and see our students engage in the selection of activities on offer.

## Reports

Our students took home their end of semester reports on Wednesday and I am sure that you were impressed with your child's progress. The students have worked very hard all semester and should be congratulated on their achievements. A paper copy was sent home with all the students and parents should have been able to view reports on the Sentral Parent Portal. If you would like to speak with your child's teacher about their reports, please make an appointment via email for early next term.

## Rewards Day

Rewards Day was today, and the excitement could be felt from the moment school started. The children had a huge selection of activities to choose from and after recess the fun began. There were movies, handball, dodgeball, volleyball, dance, craft, cookie/cupcake decorating, disco/ dance, and mindfulness just to name a few choices for the students. Congratulations to all the students for achieving their PBL points and following our expectations of Respect, Responsibility and Personal Best.

## NAIDOC Week

Next term is already shaping up to be very busy and to start the term we have NAIDOC week. NAIDOC week is celebrated across Australia to celebrate and recognise the history, culture, and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. During NAIDOC week our students will be invited to wear mufti and participate in cultural activities. In week 5 all students are invited to attend a special NAIDOC show. A note was sent home last week about this event.

An invitation was also sent home earlier in the week to all our Aboriginal and Torres Strait Islander families to attend an afternoon tea on Wednesday July 20 at 3pm in our Courtyard. Congratulations to Amber B whose artwork was chosen for this beautiful invitation by our Aboriginal students here at KPS.

## Education Week

This year Education Week will run from Monday 1 to Friday 5 August 2022, week 3, celebrating the theme 'Creating futures - education changes lives.' We look forward to celebrating our students

and their learning here at school during this week. Please save the date Monday 1 August as this is the day of our Creative and Performing Arts Showcase and all parents and carers are invited to attend. Please see the flyer that was sent home earlier this week for more detailed information about this event. More information will be sent home early next term regarding the week's events.

## Personal development

Life Education and Healthy Harold will also be visiting our school from August 1 through to August 10 for Personal Development and Health lessons for all students Kindergarten to Year 6. All students should have received a note regarding Life Education and Healthy Harold.

There are lots of activities and events happening each week and we encourage you to check your child's bag for notes, Facebook for information and our school's website. Please do not hesitate to call the office if you have any questions.

I hope you all have a wonderful break from routine with your children over the next weeks. Enjoy the holidays and I look forward to seeing all our students back here at school on Tuesday July 19. Staff return on Monday July 18 for staff development training.

# SOME EXCITING NEW BILINGUAL BOOKS HAVE ARRIVED

The school has purchased some Bilingual story books. These are written in English and other languages relevant to the students that attend KPS.

Next term the students can borrow these books from the library and take them home to share with their friends and families.

In my role, both myself and a small group of Stage 2 students enjoyed listening to

Roy read a few pages of The Rainbow Fish; he was amazing.

We would love to invite any parents within the community to share their favourite book or to read one of our newly purchased books. Please be in contact with either myself or the classroom teacher to organise.

**PBL UPDATE**

# LORI REWARDS DAY

This week our PBL focus is **Lori Rewards Day**.

Today all students participated in our Term 2 Lori Rewards Day. Students have been working hard this term to earn enough Lori PBL cards to pick from a range of activities offered on the day. Thank you to the staff and the PBL Team for organising this special day.

Students were spoilt for choices with activities including: free playtime, watching a movie, drawing, Oz tag, mindfulness colouring in, skipping/fitness, handball, Lego Masters, drumming, cookie/cupcake decorating, disco, laptop, Kahoot quizzes and dodgeball.

We all had fun on the last day of Term 2.

A **message stick** is a form of communication between Aboriginal nations, clans and language groups. Message sticks were used to pass on or share a message from one community to another.

### Nationally Consistent Collection of Data

In 2022 all Australian Government schools will be implementing the Nationally Consistent Collection of Data (NCCD), for school students with a disability.

This important data collection will reflect the support that is already being provided to students and will focus on the steps the school is taking to ensure that all students can access education on the same basis. The data will be used to inform future planning by governments and education authorities and will help us to better support the participation of students with disability in our school and all other NSW public schools.

The data collection will focus on the adjustments that are being made by teachers and schools to support individual students to access and participate in education.

Schools will collect information already available in the school about:

- The level of adjustment being provided to support students with disability to participate in their schooling like all other students.
- The number of students who receive each level of adjustment.
- Where known, the student's type of disability.

The data collection process will have no direct impact on your child and they will not be involved in any testing process. Reported data will be made available in such a way that the privacy all students is maintained.

If you do not want your child to be counted in the data collection you must complete the attached form and return it to the school before Friday 1 July.

If you have any questions about your child being counted in the data collection please contact the school.

Further information about the data collection can be found at the NCCD website.

## Online Enrolment

We are excited to announce the roll out of the [new Online Enrolment System](#). The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens
- New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 02 4340 1885.

## Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: [Kariong-p.school@det.nsw.edu.au](mailto:Kariong-p.school@det.nsw.edu.au)

## Item categories

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.

- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: [gtschool.com.au](http://gtschool.com.au).**

## Helpful Hints

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- [the student's name](#)
- [date of birth](#)

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

# A REMINDER ABOUT MONEY COLLECTING PROCEDURES

All cash money sent to the school is to be brought to the Administration Office and placed into the **letterbox slot** that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open.

Please **do not leave money on the counter**. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school.

EFTPOS payments may be processed at the Administration Office between the hours of 8.30am – 3.00pm.

We no longer are permitted to take EFTPOS **over the phone**. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.
