The H Team Performance

On Monday students attended an educational theatre experience by Brainstorm productions called 'The H Team'. The performance was in our school hall and through narrative students reflected upon ways to critically evaluate media influence, stand up to bullying and make good decisions.

The performance complemented our school's existing programs and facilitated further

discussion and learning around the importance of teamwork, impulse control, and resilience, to create a healthy and harmonious school environment.

The feedback from the students was extremely positive. They particularly liked the way the actors changed into different characters so quickly. Teachers commented on how well the performance matched our current units of work, especially in relation to standing up to bullying and the pressures of social media.

Online Enrolment

We are excited to announce the roll out of the **new Online Enrolment System**. The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens
- New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 02 4340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: Kariong-p.school@det.nsw.edu.au

Item categories

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.

- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Helpful Hints

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

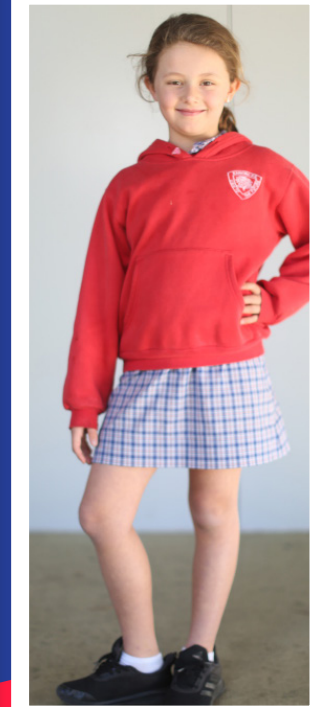

- the student's name
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

A REMINDER ABOUT MONEY COLLECTING PROCEDURES

All cash money sent to the school is to be brought to the Administration Office and placed into the **letterbox slot** that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open.

Please **do not leave money on the counter**. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school.

EFTPOS payments may be processed at the Administration Office between the hours of 8.30am – 3.00pm.

We no longer are permitted to take EFTPOS **over the phone**. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.
