selection process for the 2023 Student Leadership Team, the students were filmed so classroom teachers could share these with their students prior to voting, which has occurred throughout this week. The selection process for 2023 Sport Captains will begin on Monday during house meetings.

Earlybirds

It was lovely to see the bright faces and big smiles on both our 2023 Kindy students and families as the KPS future students graduated from the Earlybirds program. Mrs Priest and Mrs Skinner are also very proud of what the children have achieved already and are very confident of a successful transition to big school next year. We thank the families for their support of the program and look forward to ongoing partnerships.

Yr 2 Excursion

Last week our Year 1 students attended the Sydney Tramway Museum and on Wednesday our Year 2 students experienced the same opportunity. Both students and staff enjoyed the excursion and learnt many new and interesting things.

Schools Spectacular

Excitement is reaching its peak, with our School Spectacular participants having had their final rehearsals on Wednesday and Thursday. Today was the first matinee performance for our 23 performers and 45 our students with two teachers attended an excursion to watch the Schools' Spectacular. What a treat! With performances tonight and Saturday, Mrs Rayner, Mrs Hansard and the student performers will be on a real high and extremely tired by Sunday. I know the students and their families will take home some wonderful memories from this year's spectacular event.

2022 Supporters Thank You Morning Tea

On Thursday 1 December will be a Volunteers' Morning Tea in the Library from 11:00 – 11:30. This event is to acknowledge the support of the students and staff at Kariong this year. Please RSVP to the office by Monday 28 November so we can facilitate the organisation and catering.

Mini Fete

The Year 6 students are putting final organisation into place for their annual Mini Fete. The money raised from the fete goes towards the Year 6

Farewell and a Year 6 gift to the school. This year's event will be held on Friday December 2 and there will be many stalls to visit and activities for students to do. Students in Kindergarten through to Year 5 pay a fee of \$10 and this allows them to participate in all the activities. There will be something for every age group and all students can expect to have a fabulous day! If your child would also like a sausage sandwich and a spider drink, they can pay \$15, an additional \$5. Payment can be made online or at the office. Cash payments are currently being taken in the courtyard each morning before school up to and including Friday December 2 from 8:25- 8:55am. We are all looking forward to a great day.

Response protocols for COVID-19 cases

There has been a recent increase in the number of COVID cases in the Central Coast and local community. Any positive COVID-19 cases should be reported to the school if they have attended the school recently. Students, staff and visitors should only attend school when symptom free. Our school will continue to send home students or staff displaying symptoms.

NSW Health and the Department of Education encourage all students and staff who test positive to COVID-19 to record the positive rapid antigen test (RAT) through the Service NSW website [Register a positive rapid antigen test result | NSW Government](#) or [Service NSW app Service NSW Mobile App | Service NSW](#). Parents and carers are asked to select the name of the school when registering a positive RAT via Service NSW.

Positive RAT or PCR test results for staff and students should be reported to the school. Refer to NSW Health's advice for people who test positive to COVID-19 [Testing positive to COVID-19 and managing COVID-19 safely at home | NSW Government](#) and [Advice for people exposed to COVID-19 Advice for people exposed to COVID-19 | NSW Government](#) for further information.

Kariong Public School will continue to inform the community when there is a positive case in the school. If there is a positive case in your child's class, year or other grouping, your child can continue to attend school in line with NSW Health advice.

Unlocking the Library with Mr. Brown

An End to Borrowing for 2022

Borrowing has officially closed for this year as I will now be focusing on collecting all of our resources to get the Library ready for 2023. Thank you to all those that have returned any overdue books. If you still have any books at home, it's not too late to bring them in. Library lessons will continue each week until the end of the year, and I'll still be sharing terrific books to classes, to foster that love for literature in all of our students. Enjoy your well-deserved holidays everyone!

Book Reviews

'Jetty Jumping' by Andrea Rowe

- "It was about a girl that didn't want to jump into the water because she thought strange creatures might be in there. At the end she jumped in because her bracelet fell in. She realised that the water was really nice and beautiful." - Andie M (2S) ★★★★★
- "Milla didn't want to jump in even though her friends wanted her to. The water was too deep. At the end, she jumped in the water and felt not so afraid anymore." - Edward R (1/2FM) ★★★★★
- "I liked that they were doing different things to jump in the water, like teapots, starfish and front flips." - Zephaniah K (1G) ★★★★★

NSW Health Primary School Dental Program

NSW Health is working with public primary schools to offer **free dental check-ups** and preventive care to students as part of a school-based mobile dental program. Your child's school has been selected to participate in this program.

The program involves a mobile dental team making scheduled visits to your child's primary school. During the first appointment a dental check-up and preventive care package will be provided, subject to parental consent. A letter will be sent to parents/guardians providing an update on the child's dental check-up.

The program is scheduled to visit your child's school from 6/02/2023 to 22/02/2023.

Parent Information and Consent Packs will be sent home, including information sheets, consent forms and the program privacy statement. Parents/guardians who want their child to receive care are advised to:

1. Read all the information provided
2. Carefully complete the consent forms
3. Return the consent forms to the school as soon as possible

More information about the program is available on the NSW Health website:

Online Enrolment

We are excited to announce the roll out of the [new Online Enrolment System](#). The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens
- New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from our front office or can be downloaded from the Department's going to a public school site.

Further information about online enrolment can be found on our school website under the 'Enrolment' tab. If you require further information, please call Kariong Public School on 02 4340 1885.

Online Payments

It is very easy for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa, MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school. The DoE preferred method for all money coming into the school is the Payment On-Line facility (POP) through the school's website: Kariong-p.school@det.nsw.edu.au

Item categories

- If a POP payment is made before 6pm, your payment will be processed on the next day's school statement.

- If it is made after 6pm, the school will be notified two days later.
- Please ensure that on your child's permission note, you fill in the section for POP which will require the receipt number.
- At the bottom of every note that requires payment, there is a section for cash, cheque, and Payment On Line, for your convenience.
- **Please do not make payments for uniforms on this site. The Uniform Shop is privately run and their website for ordering is: gtschool.com.au.**

Helpful Hints

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings, 'Other' can be used to make a complete payment of a school Statement of Account.

When you access the \$ Make a payment you must enter:

- [the student's name](#)
- [date of birth](#)

These details are entered each time you make a payment as student information is not held within the payment system.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

A REMINDER ABOUT MONEY COLLECTING PROCEDURES

All cash money sent to the school is to be brought to the Administration Office and placed into the **letterbox slot** that is on the front wall near the counter. This will allow payments to be placed securely, even when the office is not open.

Please **do not leave money on the counter**. We ask that the envelope be marked with your child's name, class and what the payment is for, to allow the payment to be processed.

The office staff will administer all money and a receipt will be issued to the family, which will go to the student's class teacher to send home. This procedure ensures better handling of all monies and reduces disruption to teachers and students.

We provide a variety of ways to make payments within the school, to make it easier for families and alleviate some students bringing large amounts of money to school.

EFTPOS payments may be processed at the Administration Office between the hours of 8.30am – 3.00pm.

We no longer are permitted to take EFTPOS **over the phone**. For any enquiries regarding the online payment process, please contact Kariong School Administration Office.
