STAR 104.5

It was certainly an enjoyable and fun morning on Thursday with STAR 104.5 broadcasting from our school. There were a number of activities organised and a special breakfast from our canteen was available to families. The children loved watching a live broadcast and their behaviour was wonderful. Julie and Rabbit interviewed several Year 6 students and their answers were very entertaining. A cheque for \$500 was donated to the school. Thank you to all teachers and parents who supported the morning and participated in the activities.

Semester 2 Reports

Semester 2 reports will be sent home in Week 10 (last week of Term 4). Only the work covered this Semester (Terms 3 and 4) will be included in the report. The Semester 1 report covered Term 1 and Term 2. When reading the report, it is important to remember that 'Sound' achievement indicates that your child is making sound progress in relation to what he or she was expected to learn over the last Semester - your child is on track. Student reports also include information on your child's level of effort and teacher comments on progress in each Key Learning Area. If you wish to discuss your child's progress or any other issue, please contact your child's teacher to make an appointment.

Casey's Toy World Fundraiser

Our P&C organised a terrific evening for families and friends at Casey's Toy World on Thursday evening. The school received 20% of the total purchases made between 6pm and 8pm. Thank you to everyone who purchased toys that night.

Presentation Ceremonies

Our annual Presentation Ceremonies will be held this Term in our School Hall on Thursday 7 December for students in K-2 and on Tuesday 12 December for students in Years 3-6. This is an opportunity to acknowledge the vast and varied achievements of our many students throughout this year. All parents and caregivers of students in Kinder, Year One and Year Two are invited to join us on your child's Presentation Day. Due to the lack of available space in the Hall attendance at the Stage 2 and 3 Presentation Ceremonies is by invitation only. It is an expectation that full summer school uniform is to be worn by all students.

Year 6 Graduation Ceremony

There will be a Year 6 Graduation Ceremony on Friday 15 December at 2:15pm in the Hall.

Parents and Caregivers of Year 6 students are invited to attend and watch as the Year One students will have the opportunity to say a special goodbye to their Year 6 buddies. The Graduation Ceremony will be followed by the Walk of Fame.

If you are coming to view the Walk of Fame, we ask that you do not occupy the Courtyard area (including the steps) as they are used by the students. You are more than welcome to view this event from the balconies and the COLA. Please leave the walkway to the steps free so the Year 6 students can access the parade area.

Year 6 Students' Autographs

As Year 6 approach their final few weeks in primary school, it is important to remind the students that if they wish to collect signatures we ask that they use a soft toy, book or an additional piece of clothing that has been brought from home and has been given approval to be signed, by the parent or caregiver.

Students must not sign clothing worn by themselves or another person.

Cancer Council NSW SunSmart Snippet

The simplest way

...to be SunSmart in summer!

Did you know?

Temperature doesn't determine when you need sun protection. It is UV radiation, which is not affected by temperature that damages skin cells and causes cancer. To reduce your family's risk of skin cancer, **use sun protection whenever UV levels are 3 or above.**

How do I know when the UV is 3 or above?

Download the free SunSmart App and set it up for your location!

Most parts of NSW experience high levels of UV radiation, especially from October to March. Check the UV every day using the app, or set up the auto-alert, to find out when you need to use sun protection.

Got any questions? Contact the friendly SunSmart Team on (02) 9334 1761.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
