## PRINCIPAL'S REPORT

### Supporters of Kariong Public School Morning Tea

Invitations have been handed to students and volunteers regarding our annual Supporters of KPS Thank You Morning Tea. This is one way we, as a school, show our appreciation and thanks for the efforts and time given by the volunteers who support our school. We are aware that sometimes these invitations can sit at the bottom of school bags and may not be seen again. If you do not physically receive an invitation, please accept this as a welcome to attend. Save the date: **Thursday 6 December from 11am to 11:30am in the library.**

### Presentation Ceremonies

Our annual Presentation Ceremonies will be held this term in our School Hall on Friday 7 December for students in K-2 and on Wednesday 12 December for students in Years 3-6. This is an opportunity to acknowledge the vast and varied achievements of our many students throughout this year. All parents and caregivers of students in Kinder, Year One and Year Two are invited to join us on your child's Presentation Day. Due to the lack of available space in the Hall attendance at the Stage 2 and 3 Presentation Ceremonies is by invitation only. It is an expectation that full summer school uniform is to be worn by all students.

### Early Birds

This week we finished our Early Birds visits. It was lovely to meet all the new Kindergarten students for 2019. They were all very excited and seemed more than ready for big school. We look forward to welcoming them into our school next year as they begin their educational journey here at Kariong. Thank you to all of the teachers helping out with this program and a very big thanks to Mrs Downey for all of her hard work in ensuring this program ran smoothly.

### Classes for 2018

Thank you to all the families who sent in letters regarding their child's class placements for 2019. We will take all of your suggestions into consideration and endeavour to do our best to meet your requests.

### Enrolling or Leaving

NSW Public Schools are provided with teachers and staff on an age-based differential formula. Once the Principal enters anticipated numbers of students, Staffing will allocate a set number of teachers, SLSOs, School Administrative Staff, Counsellor etc.

Thank you to parents who have already informed the school that their child is leaving us or commencing at our school next year. It is extremely important that numbers are as accurate

as possible so correct classes can be formed and teachers appointed to start at the beginning of the school year.

Please make sure that you notify the office as soon as possible if you are **NOT** returning to Kariong Public School in 2019 or if you are going to be away at the beginning of the 2019 school year. (Current Year 6 students do not need to let us know.) If you know of anyone who is enrolling a new child at our school next year, would you please ask them to contact the school office to collect enrolment forms?

## FIRST LEGO LEAGUE COMPETITION 'INTO ORBIT'

Last Wednesday Kariong Robotics Team 'Karionauts' competed in the Gosford Regional First Lego League competition. This competition is entered by children aged 9 to 16 years from around the world to promote engineering, robotics and research skills. The Karionauts team competed extremely well on the day picking up a trophy for exceptional teamwork and ranked 10th overall in the Robot game tournament. As their coach, I'm very proud of how well they conducted themselves not only on the day but throughout the past 5 months, giving up a lot of their own time after school and during recess breaks to prepare for this tournament. Many thanks to all the parents and teachers who have supported us on this journey. Below are some photos of the day and the names of the Year 5 and 6 students who represented our school this year.

## YEAR 5 BATHURST PHOTOS

Please see below photos taken when Year 5 attended their Bathurst excursion.

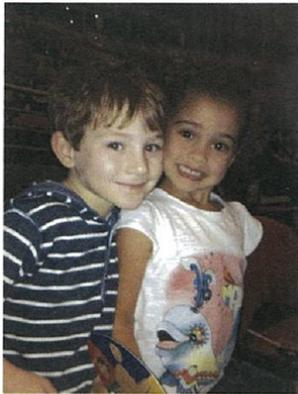

## OUR WEEK WITH LORI – 6G

Lori had a wonderful time in 6G this week. The students thoroughly enjoyed his company. Lori observed us completing a Writing task, where we had to describe a monster as best as possible in exactly 100 words. He also completed some multiplication problems with our School Captain. Due to the rainy day, Lori ate his lunch inside and was able to sit in Mr Gilks' chair. He is the most photogenic bird ever.
