PRESENTATION CEREMONIES

Thank you to everyone who attended one or more of our Presentation Ceremonies that acknowledge the work, effort and progress our students have made over the year. Congratulations to all the major prize winners and to every student who has worked hard and achieved significant progress throughout the year. It was lovely to see so many parents here for each assembly and on behalf of all the staff we thank you for sharing these special days with us.

School Leaders 2024

Our new school leaders for 2024 were announced at our stage 3 Presentation Assembly on Tuesday. I would like to congratulate the following students: Mervyn H and Charlotte T (school captains) and Candace C, Eliza E, Emma L, Charlotte P, Indianna D, Grace F, Ryan K and Lachlan M our school leaders. These students will be excellent role models for younger students, and I am looking forward to working with them next year.

Semester Two Reports

End of Year Reports are now being finalised and will be sent home on Wednesday, December 13. All reports will also be available via SENTRAL on this day. If you have any questions about your child's end of year report, please speak to your child's class teacher.

SRC Toy Drive

Thank you to the many families who have brought items in for our SRC Christmas Drive. We have exceeded our expectations for how many gifts we would get. The Christmas Tree in the library has a lot of gifts under it. These gifts will be picked up by Care Connect whose aim is to ensure over 2,000 Central Coast & Hunter children will have a gift under the Christmas tree this year.

Schools Spectacular Television Event

As written in our previous newsletter on the 24th and 25th November our choir and dance groups performed amazingly well at the 40th Schools Spectacular. This Saturday 9th December it will be televised on Channel 7 at 7pm. You might even spot one of our talented KPS students (or Teachers) on the stage!

Movie Day

Today all students celebrated a wonderful year by having a movie reward day! Some students attended the movies at Ettalong and others watched a movie at school. Congratulations to all students on your achievements and efforts this year.

Year 6 Events

A graduation event will be held for our Year 6 students at Event Cinemas Tuggerah on the evening of Tuesday December 12. The graduation will be an opportunity to celebrate an important milestone in the students' education and something special to remember for years to come. A very successful Mini Fete last Friday was a great fundraiser for the Year 6 Graduation. On Thursday afternoon, December 14 a Year 6 Graduation Ceremony will be held in the school hall at 1:30pm. Parents are most welcome to attend this event. Then on Friday 15 December we will finish the year with the Year 6 Walk of Fame on the school oval at 2:30pm. Again parents are very welcome to attend this event.

Enrolling or leaving

Thank you to the parents who have already informed the school that their child is leaving us or commencing at our school next year. It is extremely important that numbers are as accurate as possible so correct classes can be formed, and teachers appointed to start at the beginning of the school year. Please ensure that you let the office staff know as soon as possible if you are NOT returning to Kariong Public School in 2024 or if you are going to be away at the beginning of the 2024 school year. (Current Year 6 students do not need to let us know). Don't forget to let any families yet to enrol for next year to please contact the front office to start the enrolment process. Online enrolments are now available with a link on the school website.

End of year

The final date of Term 4 for students is Friday December 15.

SPORT AT KARIONG PS IN 2023

CHRIS GILKS

Kariong Public School
TEACHER

Thank you to the 8 Sport Captains who have also represented the school well this year- Lara, Emily, Indi, Tommy, Cruden, Amber, Ella and Ethan. Thank you for giving up your break times to assist myself and other staff setting up activities, helping at our school carnivals and assisting Mr Brady with countless sporting jobs.

Congratulations to Kariong's 2024 House Captains who will do another fantastic job as leaders.

Lastly, I would like also like to thank all the parents and SLSOs

who have helped in any way this year to assist our school in all of its sporting endeavours. This includes organising lifts to carnivals and gala days, being time keepers, first aid and helpers at our carnivals or driving the competitors to sporting events. Without your help, our Kariong students would not be able to participate in all these wonderful events.

Thank you and see you in 2024.

2023 has been yet another big year for sport at Kariong Public School.

Our school is privileged to have so many talented athletes, as well as devotees to fitness, physical activity and sport.

Our year in Sport started with the swimming carnival at the Peninsula Leisure Centre, where we only had students there who were swimming competitively. Grevillea won the carnival on points.

In Term 2, the Kariong Public School Cross Country Carnival was at Kariong Oval, which again was a massive day for all Years K-6.

Wattle won the carnival on points.

This year we had many teams competing in the knockout competitions and gala days, including Cricket, Netball, Futsal, Basketball, Touch Football, Rugby League, OzTag and Soccer. A special shout out to the senior girls Futsal team, who dominated the Central Coast tournament, winning the grand final in a penalty shoot out. This earned them a spot at the State Futsal Championships, which is a mammoth effort and you should be really proud.

In Term 3, the Athletics Carnival was held down at Adcock Park. We just squeezed all the races in, with Grevillea taking home the points again in this carnival.

Many students attended zone trials and were successfully appointed to various teams, whether it was rugby league, soccer or touch football.

Thank you to all of our teachers for all your efforts with your respective teams in 2023. I know how much you enjoyed being a part of it all and the kids get a real boost out of having keen and knowledgeable teachers taking their teams. It was

also great to see our new sports shirts and singlets be used for the first time this year.

2023 Sports Girl

Congratulations to Indi G!

Our 2023 sports girl was heavily involved in many sporting endeavours this year. She was age champion for cross country and represented at zone and at Sydney North. She was age champion for Athletics and represented at the zone and regional level again. She was also a valued member of Kariong's soccer and OzTag teams. A well-deserved winner.

2023 Sports Boy

Congratulations to Ethan G!

Our 2023 sports boy swam well at the KPS swimming carnival, going through to zone. He came 4th in the school cross country, representing at zone also. This boy also went through to the zone athletics carnival and made it through to the zone soccer team. He made the school soccer, rugby league, touch football, OzTag, Futsal and basketball teams. Very high involvement and effort in getting in as many teams as possible. I know personally this has been a goal of his all year to achieve this, and it's cool to see it pay off for him.

Transport for NSW School Student Travel Term 4 2023

2024 school travel applications are now open

Students who need a new or replacement School Opal card or travel pass for 2024 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement because of a new shared parental arrangement (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification for their school travel entitlement should [renew or update](#) their details **before the end of term 4**. This will ensure that schools can endorse applications, and travel passes remain valid for the start of the 2024 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email. Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply. [Term Bus Pass](#) holders will receive a notification to re-apply. Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2024.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Changes to your bus service provider

Within Greater Sydney, a number of bus service providers have changed their names. Parents intending to lodge an application for a School Opal card will need to visit [transportnsw.infotrip planner](#) to obtain the correct bus operator name servicing your area prior to lodging an application.

Travel from Term 1 2024

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2024 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2023, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year. The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Nutrition Snippet

VEGETABLE CHOW MEIN

Serves: 6 **Prep time: 10 mins** **Cooking time: 20 mins**

Ingredients

450g shelf-fresh Hokkien noodles or fresh noodles of choice
50ml salt reduced soy sauce
1 tbsp oyster sauce
2 tsp honey
1 tbsp sunflower oil
1 brown onion, cut into wedges
2 tsp garlic
500g frozen stir-fry vegetable mix, without sauce
Sesame seeds (optional)

Method

Step 1: Place noodles in a large heatproof bowl and cover with boiling water for 5 minutes. Separate with a fork. Drain well and set aside.

Step 2: Combine the soy sauce, oyster sauce and honey in a bowl. Set aside.

Step 3: Heat the sunflower oil in a large frypan over medium-high heat. Add the onion and cook for 1 minute. Add the frozen vegetables and garlic. Stir fry for another 3-4 minutes until the vegetables are cooked through.

Step 4: Add the noodles and sauce mixture and toss to combine. Sprinkle with sesame seeds if desired.

Information about LCF Fun Language Clubs Australia

TOGETHER WE ARE CREATING GLOBAL CITIZENS!

LCF Fun Languages is wholly Australian owned and operated. It is the leading provider of language learning in Australia.

We have been running language classes for Aussie kids for more than 10 years and operate in a number of schools and childcare centres across Australia.

We offer Before, After-school or Lunchtime Fun Language Clubs.

LCF Fun Languages Methodology:

Children just love the LCF fun approach to language learning which involves lots of games, songs, drama and other lively activities. You will be amazed at how much they learn and how quickly!

The Club's Methodology is based on informal, fun activities, such as:

- Craft
- Music and games
- Role-play
- Drama
- Board games and card games
- Plenty of popular lively games

This interactive and communicative approach is supported by professionally designed materials including flashcards, board games, CDs, songbooks and activity sheets, reward stickers and certificates.

The Club's method makes learning fun and stress-free. While children play games, sing songs, act out role plays and interact with each other, they absorb the new language without consciously thinking about it. Naturally this all takes place within a carefully structured progressive sequence which enhances learning.

For more information about LCF Fun Languages, please look at our website www.lcfclubs.com.au
