

YEAR 6 CANBERRA EXCURSION - POSTPONED

Dear parents and carers,

As you may be aware, all NSW Department of Education have been directed to postpone and/or cancel all planned excursions outside their local community.

Unfortunately, this means that our upcoming Year 6 excursion to Canberra has been postponed at this time.

Currently, we are endeavouring to reschedule the excursion and will keep all families updated as we know further details. The school is presently liaising with the company organising this excursion.

If we do need to cancel this event in the near future, the school will provide details of what this will entail including receiving a refund.

Thank you for your patience and support in this matter and we hope to have further information to you shortly.

Toni Skinner
