

Dear Parents and Carers,

Year 6 traditionally has a video or power point to share at the end of each year at the graduation ceremony and farewell as a keep sake of their time at primary school. This will be shared at the end of the year and only with our Year 6 students and families.

Once again, this year we would like to do this, but we have the opportunity for a Year 6 parent with knowledge, expertise and equipment to help produce something a little more special for 2022.

We are looking at filming students at school in both the classrooms and playground, sporting events, excursions and many fun events special to Year 6 as the year progresses.

Please indicate on the permission slip below if you would like your child to be a part of this production or not and return to your child's class teacher by Friday March 4. If you have any concerns or questions regarding this film, please contact your class teacher or the office.

Thank you
Toni Skinner
Principal
