

## National Day of Action against Bullying and Violence

This Friday 18<sup>th</sup> March, our school will take part in National Day of Action Against Bullying. To recognise the day students are encouraged to wear **different/odd socks**. It is a lovely, simple way to celebrate that we are all unique.

The theme for 2022 is Kindness Culture. By building Kindness Culture together, we can promote inclusion, respect and community belonging for all students in schools across Australia.

Kindness is more important today than it has ever been. The isolation of the last year has underlined how little acts of consideration can break down barriers and brighten the lives of the people around us. Each student will complete some lovely work which we will use to update our anti-bullying displays around the school.

Ask your child what they know about bullying and how our school deals with this.
