Parent/Carers signature _____ Date _____

Parents please note there is no personal injury insurance cover provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. Parents and carers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, zone, area, and state school sport associations when deciding whether additional cover, above that provided by Medicare, is required.

The NSW Supplementary Sporting Injuries Benefits Scheme, funded by the NSW Government, covers any injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body.
