Game Changer Challenge 2021

Dear Parent/Guardian,

Your child has been selected to participate in an exciting new program being offered at Kariong Public School called the Game Changer Challenge.

The Game Changer Challenge involves collaborating with a group of 5 students to solve complex problems by utilising the design thinking process. Mrs Priest and Mrs Buckton will support the team during the next few weeks to develop skills in this area through a series of lessons. In June, the teams will be required to submit a video in response to a challenge, this could lead to an opportunity to compete with other schools across the state virtually in August.

The team will need to commit to meeting twice a week. One session will be during a lunch break and the other will be during class time.

You can find more information about the Game Changer Challenge at <https://education.nsw.gov.au/public-schools/game-changer-challenge>

Additionally, please feel free to be in contact if you have any further questions about how this challenge will look at Kariong Public School.

Vicki Priest and Tammy Buckton
