Kariong Mountains High Canteen is very excited about your primary school visit.

Staff are very welcome just to buy pies, chicken/salad wraps or rolls, snacks & ice creams over the counter.

You are welcome to order the special meal deal on offer or something off our menu if you wish.

Our 2020 Menu is found on our school web site.

To make this day a success, I would like to ask for your help with the students' lunch orders.

INFO FOR THE TEACHERS

- Teachers, could you please collect and send all lunch orders to your school office, before or on **Monday 30/12/20** WITH THE MONEY STILL ENCLOSED IN THE LUNCH BAGS.
- Teachers, could you also please remind the students on **Friday prior** that Monday is the last day for ordering their **\$6.00** special lunch if they wish to do so.
- On the day, I will need your assistance **HANDING OUT YOUR CLASS LUNCH ORDERS** . This should only take 5mins. Lunches will be handed out on the side of the canteen, closest to the hall.

INFO FOR THE OFFICE STAFF

- Please send home the meal deal flyer with **every** student and provide a copy for staff attending the high school visit **A.S.A.P.** so it gives the parents plenty of time to send an order back .
- The teachers will be sending all lunch orders to the school office including the money, before or on **Monday 30/11/20.**
- Please leave the money enclosed in the lunch bags.

To Somersby PS, Central Mangrove PS, Peats Ridge PS & Kulnura PS

- Can I ask you to please count the lunch orders (meal order 1,2 or3).
- I will ring the office before 12.00pm the day before for the amounts so I can finalise my ordering.
- Then please send the lunch orders, including money, with a teacher or parent on the day to the high school, asking them to hand the lunch orders into the canteen before first bell at 8.45am or on first arrival.

Kariong PS-

- No need to count the orders, I will pick them up from the office at 12.00pm the day before.

Thank you for helping make this special day a success.
