

### **Positive Behaviour for Learning (PBL) Term 4 Changes**

Kariong Public School is committed to maintaining a positive, engaging and supportive environment where all students are valued and motivated to learn. Due to the changed circumstances surrounding COVID there will be some changes to our PBL reward systems and structure for the remainder of the year. These are detailed below. If you have any further questions, please direct them to your child's classroom teacher.

#### **Bronze, Silver, Gold and Diamond Levels**

To enable all students to have the opportunity to reach their diamond level this year, we have decided to skip the silver level which would normally be achieved in Term 3. Please see below how the new point system will look. Students can earn their daily point by displaying our core values of RESPECT, RESPONSIBILITY and PERSONAL BEST. These points will continue to be tracked through class dojo and have started today.

#### **Lori Rewards Day**

Students will continue to have the opportunity to earn Lori reward tickets in the classroom and playground. There will be a special rewards day at the end of the term where students can trade in their tickets for a fun activity. These tickets will continue to be tracked by the classroom teacher and students at school.

#### **School Uniform Incentive**

Wearing the correct school uniform is one of our school expectations. Each week there will be a weekly raffle of the names of students who wear their correct school uniform every day. The winners will receive an ice block on a Friday afternoon. In addition to this, students will only be able to receive their daily PBL point if they are in full school uniform.

Kind Regards,

Vicki Priest  
Assistant Principal
